

**I.S. CONSTRUCTION
& ENGINEERING**

I.S. CONSTRUCTION & ENGINEERING

**CIVIL WORK &
ALL TYPE OF MAINTENANCE WORK**

ABOUT US

I.S. CONSTRUCTION & ENGINEERING is fully committed to sustainable growth, and has worked exceptionally hard since 2010 to establish a reputation as one of India's most innovative, professional and reliable construction companies.

Additionally, we possess the most experienced and creative professionals in the field of Civil Engineering and Construction. The projects we have worked on range from metros, roads, and power plants to a variety of other types of construction. In the past few years, we have been involved in a wide range of projects.

VISION

Our vision at **I.S. CONSTRUCTION & ENGINEERING** is to establish an unrivalled reputation as a company that strives for perfection.

MISSION

THE PEOPLE AND THE TECHNOLOGY MUST WORK TOGETHER IN ORDER TO ACHIEVE QUALITY RESULTS

A commitment to trust and commitment will enable **I.S. CONSTRUCTION & ENGINEERING** to consistently exceed customer expectations. A variety of innovative techniques and methods will be employed to solicit feedback from our customers so that our products and services can be continuously improved.
